To Whom It May Concern:

We are a non-profit (not for profit), newly planted in the Newport News/York County community and the surrounding areas.

Our goal is to reach hurting families, to encourage, motivate, and to strengthen them with the hope of strengthening the community in which they reside via the media.

Unfortunately, it is the "Grass Root" organizations that have the heart to fight and ward off the negative things that plague our society, and the truthful matter is that they are the one's reaching out to give a hand up, when most of the time we need a hand up ourselves. Therefore, we are requesting of you an exemption for closed caption, as we aim to assist our surrounding communities rise above some of the negatives that have impacted their lives.

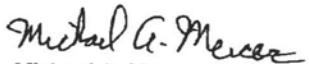

We thank you in advance for your assistance.

Sincerely;

Shechaniah Rivers' Family Services
